

# MEG HUFF PHOTOGRAPHY & ART

FALL 2025 WHOLESALE CATALOG

# HELLO

My name is Megan. I'm an artist and photographer living in St. Paul, MN with my partner and our elderly but young at heart cat (no one tell her she's not 3 anymore). When I'm not creating I love reading, playing games, being outside and spending time with friends, family, and community.

In my work as a photographer and artist you will see themes of storytelling, nature, joy, wonder, and love.

My hope as an artist is that these products would help your customers experience whimsy, joy, and connection. Thank you for your interest and consideration!
